

**Minutes of Ditchingham Parish Council Meeting  
Monday 17<sup>th</sup> March 2014 - 7.30 p.m.  
Ditchingham Village Hall**

Action  
by:

**Councillors present:** Julian Green - Chair (JG), Keith Weston- Vice Chair (KW), Vic Cossey (VC), Rev. Reg Kirkpatrick (RK), Colin Mison (CM), Gillian Ogden (GO), Jane Chadd (JC), Richard Mulley (RM), Stephen Read (SR), Sally Chapman (Clerk/RFO).

**Also present were:** District Councillor Pauline Allen and four members of the public

**Parishioner Question Time** opened with the Vice Chair welcoming those present

**A.** DPC was addressed by a parishioner of Lamberts Way on a recent Planning Appeal Decision. Badger Homes applied for planning permission on a paddock behind Station Road, with access from Lamberts Way. DPC and SNDC declined the application, it was appealed and the Appeals Inspector overturned the decision. The District Councillor stated she had been liaising with the parishioner and SNDC regarding this issue. Legal advice had been sought from a Q.C. in London and a challenge has been put to High Court on Friday 21 March 2014 and the full information is on the SNDC website. The District Councillor said this issue will be a landmark case, as the National Planning Policy Framework (NPPF) had never been challenged before. The Vice Chair said he would return to this issue ref. point 11a.

**B.** Julie Cole from Ditchingham Estates was unable to attend

**C.** DPC was addressed by a parishioner regarding the signage for Belsey Bridge Conference Centre. He had been in correspondence with SNDC asking if the 13 signs advertising the centre complied with the required planning permission. He had been informed 2 signs were not compliant and Belsey Bridge Conference Centre had 21 days to remove them. The parishioner was concerned that the signage would set a precedent in the village. The Vice Chair said he would return to this issue ref. point 11a.

A parishioner reported a street light was out opposite the Triumph garage and Councillor Mulley said he would report this issue.

4b The Clerk read out a list of outstanding items that have previously been noted

Clerk

Signed: \_\_\_\_\_Julian Green\_\_\_\_\_ (Chair)

Date: \_\_19<sup>th</sup> May 2014\_\_

as requiring the Council’s attention and action and Councillors updated the Clerk. This list will be revisited at future meetings

**5. Training opportunities** the Chair brought to the Councillors’ attention their obligations to attend training as advertised in the weekly emailed lists from the Clerk

Cllrs

**6. Systems of Internal Control** the Chair reported to the Councillors’ the Council’s weakness of Internal Audit and Control which has in the past, resulted in inadequate insurance, staffing, policies, HMRC reporting, etc. The Chair asked the Councillors to:

- Consider paper on Systems of Internal Control (circulated with agenda) in order to comply with 2003 legislation (appendix 1)
- Adopt the proposed “Internal Controls Policy” (appendix 1)
- Ensure that the Council has in place a system whereby its internal auditor has a work plan to ensure that the Council is compliant (appendix 1)

RK proposed, KW 2<sup>nd</sup>, unanimous. The current Internal Auditor’s contract expires at the end of the financial year and the new contract would adopt the new policies and work plan; with matter to be delegated to F&R ADVISORY Committee to progress.

KW

**7. To receive reports (if present) from:**

7a Police – not present, report emailed reporting 31 crimes in Ditchingham in the past month (doc. 1). RK reported that recently the churches in Ditchingham, Broome and Earsham had all been broken into on the same day, resulting in damage, vandalism and smashed windows

7b Others - none

**8. Finance**

8a The Clerk read out the cheques list [Annex A] for approval. Proposed by JG; 2<sup>nd</sup> by RK; unanimous

8b The RFO read out March’s Finance Report [Annex B] including payments, receipts and bank balances

8c The bank mandate was signed to enable the Clerk to transfer monies between accounts

8d The Chair asked the Councillors to consider extending the Council’s employee admin support to the Village Hall Management Committee and to Ditchingham United Charities. Proposed by JG; 2<sup>nd</sup> RM; unanimous.

RK asked if a cheque had been paid to ‘The Parishioner’ magazine in the last year. The Clerk said she had looked back through the current year’s accounts and no payment had been made. The Chair asked the Clerk to check the minutes from March 2012 to see if a resolution had been made regarding a payment and this matter will be resolved before the next meeting.

Clerk

**9. Planning Committee Report** (full report doc. 2) KW reported two applications for The Maltings and All Hallows/Emmaus and both were recommended for approval with conditions comments.

**10. Co-option to fill Casual Vacancy**

The Chair advised that a parishioner has shown interest in becoming a Councillor; unfortunately he was unable to attend this meeting and consistent with established practice he suggested to defer co-option until the parishioner was present; unanimous

**11. To receive tabled internal reports (if required) from Advisory Committees**

11a Planning & Highways Councillor Weston read out his report (full report doc. 2)

**Appendix 1**  
**Internal Controls Policy & Preliminary Paper**

**1 Internal Controls Policy**

1.1 **Objective:** The Accounts and Audit Regulations 2003 states that a Council shall be responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control which facilitates the effective exercise of the Council's functions and which includes arrangements for the management of risk.

1.2 These same regulations also require that Councils conduct at least once a year in accordance with proper practices, a review of the effectiveness of their system of internal control and publicly report the outcome. This annual governance review must include a separate review of internal audit.

1.3 Such review must be balanced to the council's internal audit needs and usage. It should be designed to provide sufficient assurance for the council that standards are being met and that the work of internal audit is effective. It requires that Councils judge the extent and scope of the review by reference to their own individual circumstances.

**2 Purpose of Internal Controls**

2.1 The system of internal control is designed to ensure that the Council's activities are carried out properly and as intended. This includes oversight that the Council is acting within its powers and is compliant with legislation. Internal controls are set up by the RFO but it falls on the Council members to ensure that they have a degree of control and understanding of those controls. Controls will include the checking of routine financial procedures; the examination of financial comparisons; the recording of assets and liabilities; the identification, evaluation and impact of risks and to manage them efficiently, effectively and economically.

**3. Persons effecting Internal Control**

3.1 The Council has appointed a Chairman who is responsible for the smooth running of meetings and for ensuring that all Council decisions are lawful. In the absence of the Chair, the vice Chair assumes these responsibilities.

3.2 The Council has appointed a Finance and Resources Committee that has delegated responsibilities with regard to financial, resources, and staffing matters.

3.3 The Council has appointed a Clerk to the Council who acts as the Council's advisor and administrator. The Clerk is the Council's Responsible Financial Officer and is responsible for administering the Council's finances. The Clerk is responsible for the day to day compliance with laws and regulations that the Council is subject to and for managing risks. The Clerk also ensures that the Council's procedures, control systems and policies are maintained.

3.4 The Council has appointed an Independent Internal Auditor who is required to report to the Council on the adequacy of its:

- records
- procedures
- control systems
- regulations
- risk management
- reviews

**4. Effectiveness of Internal Audit**

4.1 The appointment of the Internal Auditor [who must be competent and independent] shall be confirmed annually.

4.2 Regulations require that the effectiveness of internal audit shall be reviewed annually and shall be minuted.

4.3 Consistent with the extant terms of reference, the Internal Auditor shall report to the Council detailing the results of the agreed [internal Audit] work program. Such report and recommendations to be minuted.

Signed: \_\_\_\_\_Julian Green\_\_\_\_\_ (Chair)

Date: \_\_19<sup>th</sup> May 2014\_\_

4.4 The scope of the work (and charge) for the work programme shall be reviewed annually and minuted.

**5. External Audit:**

5.1 The Council's External Auditors, appointed by the Audit Commission, submit an External Auditor's Report, which is presented to the Council.

**A. Qualifications and Experience of Internal Auditor**

The law does not stipulate any particular qualification or experience requirements for the Internal Auditor, however generally accepted practice infers that the auditor can demonstrate a reasonable level of competence and that they:

- A.1 Possess a CCAB accounting, or other relevant qualification
- A.2 Have direct experience of 'auditing' organisations similar in size to the Council
- A.3 Are familiar with the regulatory framework for parish councils

**B. Scope of work for internal audit program**

The Council shall agree with the Internal Auditor a programme of work that embraces:

- B.1 Proper bookkeeping: ensuring that the primary books of account reflect an accurate record, including correct analysis of all payments and receipts, and that these are supported by correctly authorised vouchers. This process will also ensure that the cashbook is written up on a timely basis, that arithmetic is correct, and that it is balanced at least monthly.
- B.2 Standing Orders and Financial Regulations: ensuring that these are reviewed consistent with policy and that the affairs, operation, and decisions of the Council are consistent with direction as set-out therein.
- B.3 Budgetary Control: ensuring that the Council has prepared an annual budget in support of its precept; that actual expenditure against budget is regularly and accurately reported to the Council; and that any significant variance from budget is explained.
- B.4 Reserves: ensuring that the reserves that the Council maintains are appropriate for the levels of expenditure included in future plans and adequate to secure the financial stability of the Council.
- B.5 Employee matters: ensuring that all employees have written terms and conditions of employment, and that all payments made to employees are consistent with agreed contracts and HMRC regulations.
- B.6 Assets: ensuring that the Council's assets are maintained in a condition 'fit for purpose' and that they present no risk of injury to the public or impairment of local amenity.
- B.7 Risk Management: ensuring that the Council's risk management policy and risk register recognises and appropriately manages risk identified therein including Insurance matters.
- B.8 Health and safety: ensuring that the Council, its employees, contractors, and other parties comply with the requirements of the Council's H&S policy.

**Recommendation of the Finance & Resources Advisory Committee on the System of Internal Controls**

**Background**

At the January 2014 Council meeting the Chair brought to the attention of the Council matters concerning the robustness of the Council's System of Internal Controls and of Internal Audit. These concerns were voiced following observations that are indicative of an ineffective system of Internal Control:

- Formal Internal Audit reports to Council (minuted in (at least) the last 3 years) appear to have been limited to a review of the bank reconciliation. There is no reference to broader scope. It is unknown whether this is an omission of direction, or of execution.

Signed: \_\_\_\_\_Julian Green\_\_\_\_\_ (Chair)

Date: \_\_19<sup>th</sup> May 2014\_\_

- The adequacy of the Internal Controls had been raised previously by the Chair with the then Clerk in 2013 to include understanding (sight of) the Internal Auditors letter of engagement and terms of reference and scope of review(s) planned. The Clerk at that time advised the Chair that there was no documentation in this respect. It appears that the relationship between Internal Auditor and the Council had always been direct with the Clerk, not to Council in the body corporate capacity.
- On further investigation, the current Clerk has identified an 'Internal Audit regulation' adopted by Council on 19th July 1999. The requirements of this extant regulation do not appear to have been complied with.
- Matters that this Council has found it necessary to address in the last 12 months include: adequacy of insurances, staffing and HMRC arrangements, Health and Safety and other policy revisions.

The Council will be aware that Mr. Paul Austin is appointed Internal Auditor. His remuneration is £40 per annum.

**Recommendation**

This paper proposes two recommendations:

**Proposal 1** "The Council adopts the draft policy 'Internal Controls Policy' as a framework for future operation".

This policy is based on the guidance from the Joint Practitioners' Advisory Group (JPAG) titled 'Governance and Accountability for Local Councils. A Practitioners' Guide (England) 2010'. This guidance being endorsed by NALC, SLCC, and the Audit Commission amongst others and can be downloaded from <http://www.nalc.gov.uk/>

**Proposal 2** "The Council delegates the review of existing arrangements in the context of the [draft] policy to the Finance and Resources ADVISORY Committee to report to Full Council at the May 2014 meeting".

The outcome of this proposal may be that Mr Paul Austin agrees to continue as auditor, working in accordance with the adopted policy and will operate within that framework; or alternatively; that the Council must seek alternative arrangements.

**Draft Resolution**

Councillors are asked to vote on the following resolution:

Resolution: "The Council acknowledges the proposed recommendations are accepted and resolves that the Council adopts the draft policy 'Internal Controls Policy' and delegates arrangements to formalise the system of Internal Control to the Finance and Resources ADVISORY Committee to report to Full Council at the May 2014 meeting".

**Risk register (updated January 2014)**

DITCHINGHAM PARISH COUNCIL							
In all types of undertaking risks prevail. Risk management is a process by which potential risks are identified, evaluated, and addressed. Typically risk management includes avoidance, prevention, reduction, sharing, and retention; more simply perhaps considered as avoidance, mitigation [transfer], or acceptance.							
This Council is required to undertake a risk assessment exercise annually and to have a clear risk management policy. Greater focus is required in respect of risk management.							
Topic	Risk	HML	Management	Priority	Previous Review (13 July 2012)	Current Status (30 July 2013)	Revised (20 January 2014)

**Document 2 - Planning Committee Report**

The Advisory Committee met on February 26<sup>th</sup> to consider two planning applications.

**1. The Maltings, Ditchingham**

Proposal: **Changes to blocks A, E & L to meet increased demand for smaller properties. Total number of dwellings changing from 105 to 108**

Councilors' agreed, unanimously to recommend the application for approval

The following comments were appended to the response:

The Council requests that the Broads Authority liaise with the developer to ensure that the following matters have been fully considered over the whole development:

- i) Where residents' refuse bins will be kept and how they will be collected
- ii) Whether, with the increased number of dwellings, sufficient onsite parking is being provided

Signed: \_\_\_\_\_Julian Green\_\_\_\_\_ (Chair)

Date: \_\_19<sup>th</sup> May 2014\_\_

- iii) Parking for visitors
- iv) Whether earlier calculations on the impact of increased traffic have been reviewed in the light of the increased number of dwellings

**2. All Hallows Convent, Belsey Bridge Road, Ditchingham**

Proposal: **Conversion of former convent to residential accommodation with ancillary retail and admin activities and all associated internal and external works**

Councilors' agreed, unanimously to recommend the application for approval

The following comments were appended to the response:

Some Councillors thought that some of the supporting papers, with the plans, were so dated and/or irrelevant as to be misleading.

\*\*\*\*\*

This meeting was followed by a meeting of Ditchingham Parish Council Planning and Highways Decision Committee (**Open to the public**)

1. Public participation –NO MEMBERS OF THE PUBLIC ATTENDED.
2. Make a response to the planning applications considered at the earlier meeting

All the decisions of the Advisory Committee were ratified.

THE OUTCOMES OF THE TWO APPLCATIONS ARE STILL PENDING

Other Updates:

Plans for 1 Yarmouth Road were approved and work is under way.  
Plans for 4 new builds in Lamberts Way (recommended for refusal by DPC and refused by SNC) were given approval on appeal.

As requested by the Council, I contacted the police again (using a FOI request) about the accident on 11.11.13. Eventually I received a verbal reply from a forensic accident examiner. The notes I made of the conversation are available but, in short, the state of the road was not a factor in this particular incident.

I visited the owner of the burger van in the B1332 layby to ask him to remove the large notices advertising Christmas goods for sale; he denied they were his. I have since removed them. The burger van has not been there for about three weeks; I shall try to get the Portaloo removed.

I reported the abandoned car parts, on the roadside banks at bottom of Hollow Hill to SNC. They have been removed.

We received a letter of complaint about car parking and offensive behaviour in Green Lane on the occasion of a cycling event on The Heath. Despite my efforts to talk with officers of the cycle club involved I have not made any progress.

I have been in touch with Hastoe Housing over a hazard, reported to me by Cllr Mison, in Lower Wells Place. An empty electrical cabinet has been left there unused.

Signed: \_\_\_\_\_Julian Green\_\_\_\_\_ (Chair)

Date: \_\_19<sup>th</sup> May 2014\_\_

The Advisory Committee met again on Monday 3<sup>rd</sup> March to consider outstanding highways issues. A long list of faults was drawn up. This has been sent to NCC. It is expected that some items will be attended to by the Highway Rangers (possibly this week) while others will need Bob Edwards' input. The list is available.

**Document 3 - Community and Local Development Report**

The committee met to arrange a meeting for applicants for the S106 money. A letter was drafted which will be sent out shortly. We are inviting applicants to a meeting on April 29<sup>th</sup> at 7 30pm in the village Hall. Bids from interested parties will be assessed by the committee. It would be helpful if Parish Councillors would like to submit their wishes of how the money should be spent. We wish to make the process as fair as possible so that villagers feel their wishes are being considered.

A litter pick in the village has been booked in again for April 26<sup>th</sup>. As last year posters will go up and we hope as many volunteers as we can find will come. Sadly the village is looking quite full of rubbish again so it is needed. Gill is co coordinating the morning and equipment is being provided.

We are short of members on our committee at the moment so perhaps the newer Parishioners might like to join!

**Document 4 - Maintenance and Environment Report**

The safety checks on the play areas are still being carried out and the parish council are grateful to all those parishioners who have signed up to monitor these areas.

The checks are very thorough and the council will action those items based on how urgent they are deemed. These will range from general maintenance to urgent repairs which will be carried out ASAP. We will continue to look at how we can improve and add to the facilities at both the sites in the village

I had a meeting with the estate manager for All Hallows who was concerned about a tree which was damaging the wall adjacent to their store and the main entrance to the day centre. The tree was pushing the wall out of line and over time would have caused a collapse.

The council are grateful to councillor Mulley who volunteered to remove the tree and save the parish council a considerable sum.

All Hallows have repaired the wall adjacent to the skate park which will prevent access to the rear of the hospital store from the skate park. It is hoped that no further instances of damage to the roof of the store from objects being thrown from the skate park.

I was asked to meet with Julie Cole Land agent for Ditchingham Estate on Broome Heath. I was shown the plans for the erection of an otter proof fence around two of the lakes on the heath. Julie also walked me round the proposed route. I asked for clarification as to public access and this was given. I suggested that it would be beneficial for her to come and speak to the parish council and the public at our next meeting and she agreed.

The allotments continue to be well used. There are some plots which look as if they have not been worked for some time. These will be monitored through this

season and notice given to those who are not maintaining their plots.

The cemetery continues to be well maintained.

**Document 5 - DPC Finance & Resources ADVISORY Committee Report**

Following the January 2014 meeting the Finance & Resources ADVISORY committee (F&R Advisory) undertook to revise the Risk Register, particularly in respect of matters concerning internal audit and the system of internal control and to propose review arrangements for internal audit. These matters were addressed by F&R Advisory and papers circulated between members with revisions made as necessary. The papers as circulated at this meeting are therefore assumed as previously approved by F&R Advisory.

Councillors will be aware that Agenda item 6, System of internal control, has already been concluded this evening.

Councillors will note that this report under Agenda item 11, presents the Risk register, an update of which was circulated with the Agenda. Councillors are asked to note its content, and if appropriate to challenge any aspect of it, after agreement it will be posted on the Council's web site.

Also Councillors have been appraised earlier this evening of the appointment of a new litter picker. Employment matters are delegated to F&R Advisory, and Councillors are advised that in accordance with the requirements of the Employment Rights Act 1996 and H&S legislation that the litter picker has been issued with a memorandum of employment, safety instructions and the requisite risk assessment documentation. Council Employees line management reporting is to the Clerk.

John Smith - I would like to pay tribute to John for his friendship and help both when I first became the local member and throughout the last 7 years.

Lamberts Way

Last Friday (14 March) SNC challenged the planning inspectorate decision regarding Lamberts Way. This decision has serious implications for the village as it in effect sets aside the development boundary and opens the village to speculative development. This is an important challenge not just locally, but also nationally and is, apparently, the first challenge to the PPF.

Litter pick

1. SNC officers are carried out a litter pick along the A143 and the B1332 layby as requested. For a short time the A143 looked a lot better but rubbish has built up again in the Broome area probably because of the use of the lay-bys by motorists who do not take their rubbish home.
2. The SNC Litter pick event is currently live and I am pleased that Ditchingham will be taking part in this event.

CIL (Community Infrastructure Levy)

The new scheme will be implemented in May. This means that builders will be charged a levy of £75 per square metre on all new builds that are given planning

permission after May 1st 2014. 15% of this will be paid directly to PCs. The expected average CIL charge per dwelling is approximately £1,100.

**Budgets for SN local members**

It was agreed at a recent committee meeting to recommend the following to SNC Cabinet

1. Neighbourhood Boards will be disbanded.
2. Each of the 5 district areas will have a champion. The champion will hold a budget of £25k for his/her area to be used in close discussion with local members.
3. Each local member will have a budget of £1k to use in his/her Ward.

The details and criteria are currently being worked out so that the scheme can be implemented in May.

Other issues I have worked on include

Signage for the Belsey Bridge Conference Centre

Good Neighbour Committee

Problems with Lower Wells Close

Maltings development

Problems with telephone coverage
