#### **DPC Planning & Highways Advisory Committee Report**

#### Jan 2017 - March 2017 Report

- **1.** The Planning and Highways Advisory Committee has not met since the last meeting.
- 2. The Clerk maintains planning details on the Council's website. As of the date of drafting this report (10/03/2017) the web site reports that the Council has been notified of the details listed below. This list might not be fully comprehensive and Councillors are advised to check the planning portals of both South Norfolk and the Broads Authority respectively.

# 2.a Applications since the last meeting Planning applications received since 14 January 2017

Application Number: 2017/0301 Applicant: Ms Sharon Miller

Location: 6 Clark Road Ditchingham Norfolk NR35 2QQ

Proposal:

Change of use from garage to a beauty studio business

DPC response - we have no views or opinions on the application

Application Number: 2017/0237
Applicant: Mr & Mrs J Todd

Location: Glenholme 11 Norwich Road Ditchingham NR35 2JL Proposal: Rear extension and infilling integral front porch DPC response – we have no views or opinions on the application

#### 2.b Decisions since the last meeting:

None

### 3. Update on matters relating to the Highways Department

A number of items relating to fallen trees, fences and sign damage were reported to the Highways Department following Storm Dora. A pothole close to the bus shelter in Hollow Hill Road was reported in February.

An email was sent to Bob Edwards regarding remedial works to the road surface in Green Lane and he responded:

"I'll get it inspected next time one of the Team is in Ditchingham.

As I've explained before though, this is an unmade road so we cannot hope to keep it in the condition many would like."

A letter and map was received from Highways East England with details of 2017-2018 works. There is no work scheduled in the immediate Ditchingham area, but work continues around Norwich and the east coast area from Beccles northwards.

Correspondence was received relating to Street Naming and Numbering. South Norfolk Council is currently reviewing the Street naming and numbering policy in conjunction with the introduction of charges to developers for the service and proposed to present a report to Cabinet on 27 March 2017. This concerns new developments. South Norfolk Council will continue to advise Parish Councils accordingly.

Hollow Hill Road Footpath – the contractor scheduled to start the work this Spring has withdrawn with no notice. A new quotation is being urgently sought as the window for doing the work over the next few months is very small.

#### **CHAIR'S REPORT FOR MARCH 2017 MEETING**

This report is meant to allow the Chair an opportunity to give examples of his Council activities between meetings. There are many calls on the Chair's time and not everything is included here. Like all other Councillors the Chair cannot make decisions solo.

**Fallen Tree** Storm Doris brought down a large tree in Ditchingham Dam and the road was blocked for several days. NCC Highways were in contact trying to establish who owned the land. There was no immediate way of letting the community know why there was a delay – hence item 11d on the agenda, to consider DPC using social media.

**Emmaus sign and Section 106 grant** The sign beyond Belsey Bridge Road (Norwich bound) was misleading. At my request, Emmaus replaced the masking. Following a question from me Cathy Hembry, Scheme Manager, replied, "The Section 106 money has been awaiting match funding to redevelop the workshops as a whole. We are delighted to report that we have just received a grant from Awards for All for £10,000 to undertake the work. This is great news, we should have completed the project and workshop kit out by the end of this calendar year. Thanks for being patient with us and if you need any further detail please do say."

**Deposit notices** I have dealt with several more enquiries about these and have been in touch with NCC and with Ditchingham Estates. I have been able to reassure parishioners that the notices do not indicate any change to open spaces nor to existing footpaths. Under item 14 I shall suggest that the Council considers designating the Play Area as a Village Green. (The Dip is already designated.)

**Village Hall extension** As Chair of DPC and as Chair of the Village Hall Committee I have continued to try to progress this project. I express my thanks to Cllr. Allen who has also spent a good deal of time on research for us. Actual progress has been postponed pending a reply from the Broads Authority about whether, or not, S106 grant can be spent on modular buildings. Eventually we received a negative. The next stage will be to make a planning application

**Questions from colleague Councillors** The Clerk and I have received many questions from fellow Cllrs. This is fine but considerable time has been devoted to providing answers.

**Clirs Reporting Issues** One of the questions was about the protocol of reporting issues. AS this was mentioned in the January minutes (Item 13) I am returning to the subject in Matters Arising at the March meeting so that we can reach agreement.

**Skate boarding on Thwaite Rd. pavement** A resident has complained that young people use the pavement, outside the Saffron Housing bungalows fronting the Thwaite Road, for skate-boarding. A sign banning it is requested.

**Chair/Clerk Meetings** We have had two of these so far and we are agreed that they are very useful.

**Keith Weston Chair** 

#### **Document 3**

# Report from Maintenance & Environment Committee Tabled Chair's Report for 20th March 2017 Parish Council

#### **Allotments:**

The allotments continue to be well used and we still have people waiting to use them. We are grateful for councillor Larkin for keeping us informed about the condition of the allotments, and will address any holders who are not working their allotments

# **Cemetery:**

The cemetery continues to be well maintained.

We are grateful to councillor Mulley for refurbishing the bench in this area.

We would ask that any items that are removed for refurbishing; that a notice be placed so members of the public don't worry that they have been stolen.

# The Dip:

The Dip continues to be well used, including the skate park.

The wall that was giving some concern has now been removed and replaced with fence panels.

The goal posts have been moved to allow the grass to recover. The plan to insert protective surfacing has proved too expensive and could create other problems. Moles had started to damage areas on the Dip, these have been dealt with. The council are grateful to Mr Darren Broughton for creating a path down into the Dip from Loddon Road.

# **Thwaite Road Play Area:**

This continues to be very well used and much appreciated by many young families. The resurfaced BMX track is being used and the surface will be monitored for any signs of vegetation.

The maintenance contract for the coming year will be brought to the council for a decision.

A contract for the inspection of the trees the council are responsible for will be brought to the council for a decision.

The council continue to thank Paul Austin for the through job he does on the play areas inspecting the equipment and the litter picking in the village.
